

Student guide to Live Lessons and Q&A sessions

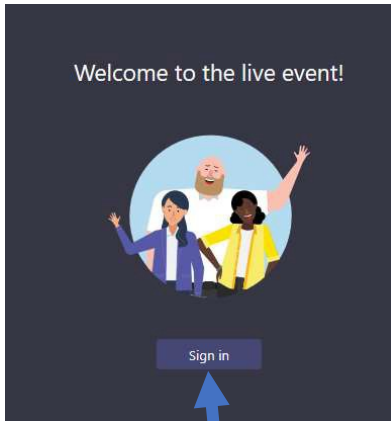

1. You will receive a link to join a live event
2. If on a **computer** it will load the following screen, you can do either, for quickness you can click view through web browser.

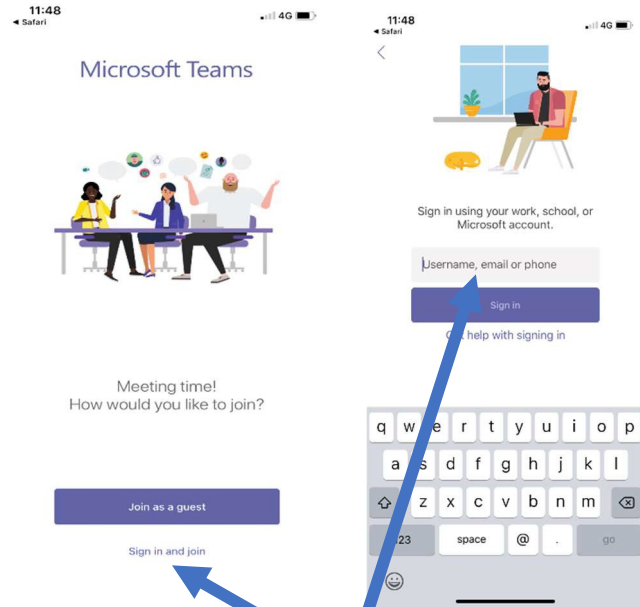

3. If on a phone or tablet it will load this following screen, and you will have to download the teams app, then re-click the link to open in the app.

4. On both a computer and phones/tablets you will have to sign in to watch the event, please use your school email@omgp.co.uk and password.

Computer sign in

Phone/Tablet Sign in

5. To ask questions click on the symbol below, then type in your question for your live teacher to answer.

A register is taken automatically for the session and each question is also saved.
