**Be your Best, Expect the Best, Succeed Together**

Monday 26<sup>th</sup> April 2021

Dear Parents and Carers,

We are very pleased to welcome back Big Talk Education to deliver their Relationship Education Course for all years groups on **Monday 17<sup>th</sup> May**.

We would usually invite parents and carers to attend an onsite workshop to review the topics covered and look at the resources which will be used in school. However, due to the current social distancing guidance Big Talk have kindly shared their resources, please see the links below, and would like to invite parents and carers to join a live Zoom meeting at **9.30 am on Monday 17<sup>th</sup> May**.

#### **Introduction to BigTalk**

In response to our changing society and the impact of the Internet, Government have introduced statutory **Relationship Education** to Primary Schools, these lessons are not new and have been delivered in good Primary Schools since the last guidance in 2000, however some of the content has now been updated to help keep children safer.

School is here to help; we are engaging the support of the specialist organisation BigTalk Education, who are a Social Enterprise recognised by national leading bodies and government. They work with 3 to 18 year olds and have been involved in delivering age appropriate education of this type for over 20 years, they also deliver training for Professionals, Parents & Carers.

Below is some information on the Growing Up Safe programme that will be delivered to the Children by BigTalk Education, it reflects the **Ofsted & SEF** (the National Children's Bureau's Sex Education Forum) recommendations.

- **Ages 4 to 8 (Reception School Years 1, 2 & 3)** Re-enforces and checks what was covered in Nursery. Using specially designed child friendly resources at the end of this session they will be able to identify happy situations and those which may be risky (e.g. other children or adults taking improper photographs of them, inappropriate touches, exposure to unsuitable media etc.) plus who they can talk to if they are worried.
- **Ages 8 to 9 (School Year 4)** We cover different kinds of families, similarities and differences between boys and girls, the emotional and physical changes of growing up (puberty) how babies are made, then develop in the womb etc. (reproduction). Looking after our bodies and how to be safe and healthy are also discussed.
- **Ages 9 to 11 (School Years 5 & 6)** Reproduction and puberty are re-capped, the children are given the opportunity to ask questions. As well as additional questions on puberty, they will often want more details on how babies develop and are born. It is important that they know there is someone in school as well as at home if they want help, advice or more information etc. (Information at this stage is vital to protect them as they move onto Secondary School and to provide an alternative to Google etc.

All the resources BigTalk Education use are age appropriate and help keep children protected from unwanted touches, abuse and exposure to unsuitable images etc. Research now shows that children receiving this type of education are three times more likely to speak out if they are touched inappropriately etc.

Please join us for the Zoom Parent Information Session on Monday 17th May at 9.30 am when a Facilitator from BigTalk Education will cover in greater detail what is included and the vital role Parents/Carers can play in keeping their children safe both now and as they progress into Secondary School. There will also be an opportunity to ask any questions as a small group or individually. Further information is also available on [www.bigtalkeducation.co.uk/parents](http://www.bigtalkeducation.co.uk/parents).

The book that accompanies the Growing Up Safe programme Bodies, Babies and Bellybuttons will be available to purchase at the meeting priced £9.99.

Please complete the reply slip below to confirm you will be joining Zoom parents workshop event.

Yours sincerely
