

Message from Mrs Moore

It has been lovely to welcome back pupils from Reception, Year 1 and Year 6 and to see them so engaged with their learning. They have also enjoyed being reunited with their friends and are already very good at maintaining social distancing!

We will keep you informed of any other changes to in-school provision as and when new information becomes available. As you can appreciate, any changes will have to comply with Government guidance and are therefore subject to change.

All pupils in Reception, Year 1 and Year 6 are encouraged to attend school, unless they have an underlying medical condition. Usual attendance procedures will apply, if your child is unwell and unable to attend please notify the school office at the start of the school day. If you have chosen not to send your child to school they will be marked as absent, this will not incur a fine. Thank you to those parents who have already informed the school of their preference. If you have chosen not to send your child into school from week commencing 1st June, and **subsequently wish to access provision you must notify the school by 3 pm on a Wednesday, at the latest, in readiness for the following Monday.**
