

Message from Mrs Moore

It was lovely to welcome everyone back from the half term break looking refreshed and ready to learn.

As the new government guidance comes into effect from today, I would like to take this opportunity to remind everyone of the rules regarding access to the school site to ensure the safety of our pupils, staff and other parents:

- Wherever possible only one parent or carer to access the school site at drop off and collection time, Year 6 pupils to enter the school site unaccompanied.
- Do not arrive any earlier than 5 minutes before you allocated time slot.
- Pupils to arrive at school wearing their PE kit on class PE day.

Our '5p Challenge'

We have launched our 5p challenge and cannot wait to see the collection bottles filling up! A two-litre bottle can hold over £100 in 5p coins, and all funds raised will go towards an end of term treat for our pupils. Some parents have asked if we can accept other loose change, we are happy to accept 20p but unfortunately no other coins will fit in the bottle neck. Fundraising started this week and will finish just before we break up for Christmas. Please send any coins in with your children and fingers crossed we can fill those bottles.

Homework

From week commencing 9th November we will be issuing homework digitally, via Tapestry for EYFS and Year 1 or Google Classroom for Years 2 – 6.

Further details of how to access the learning will be issued shortly.
