Remote Learning

We have recently introduced Google Classroom as our online learning platform. This will be used to support home learning in the event of a class bubble closure and to set homework on a weekly basis.

All pupils should now have their individual email addresses and passwords, please use the class email address to inform your child's class teacher of any issues with access.

We have created a parent guide – available on the class page of our school website, <http://www.ormistonmeadows.co.uk/our-classes/>, a copy will also be sent home via Marvellous Me.

Competition Winners

Thank you to everyone who took part in the art competition in partnership with Werrington Vets.

Congratulations to our winners, Tommy, Koena and Patrick!

The veterinary surgery will be displaying all the lovely entries in their new premises.

Children in Need

Thank you to everyone who participated in our non-uniform day on Friday 13th. We raised over £126 for this very worthy cause.

Peterborough Sings

Peterborough Sings are inviting all children to enter their Christmas choir competition. Any child aged between 7 – 11 can join in completely free of charge. All they need to do is learn the song 'Jingle Bells', record themselves singing it and send it to them! All the recordings will be put together to build the Peterborough Christmas Virtual Choir.

All the instructions and resources are available to download from the Peterborough Sings website at www.peterboroughsings.org.uk

The choir director, Will Prideaux, will also judge the best entry and the winner will receive a Yamaha PSR-EW300 (or similar) keyboard, a fabulous prize for budding musicians!

The closing date for entries is Monday 14th December.
