

Message from Mrs Moore

We are now into the third week of our blended learning provision, with children of Critical Workers attending school and the majority of our pupils engaging in Home Learning. Although it was not the start to the term we had hoped for, we would like to thank all parents and carers for your continued support and commitment to your child's education.

In line with DfE guidance we will provide a minimum of 3 hours online learning for pupils in Reception and Key Stage 1 and 4 hours for Key Stage 2. This will consist of a mixture of live lessons and independent tasks. We understand that children all work at different paces, if your child is unable to complete all tasks set on a certain day we would ask you to focus their time on the core subjects and, whenever possible, attend the live lessons.

We are tracking engagement for our home learners by monitoring attendance in 'live' lessons and/or completion of a piece of work each day. We will be introducing a weekly prize draw in celebration assembly, with one child from each class who has 'engaged' each day being awarded a certificate and prize.

Please remember you can contact your class teacher via the email account below or raise any concerns as part of the weekly wellbeing telephone call.

Donation

We would like to thank Mr Nawaz, of Blenheim Sales and Lettings Ltd, for his kind donation to our school. This has enabled us to purchase a class set of headphones, which will be used to support pupil's independent learning when using the Lexia software.

Mr Nawaz has also offered support with the printing of home learning resources for families who do not have access to a printer.

If you would further information regarding this kind offer please contact your class teacher via the class email account.
