

Message from Mrs Moore

Thank you to everyone who has supported our recent uniform campaign, it is lovely to see so many children looking smart and ready to learn in full uniform. We have a large range of New-To-You good quality uniform available. If you are interested in purchasing any items, please contact Miss Cook to arrange a time to view our stock. I will continue with my weekly walk, rewarding the 'Best Dressed Class' with additional break time.

The Prime Minister recently announced changes to some restrictions regarding the next stage of the Covid 19 roadmap. I would like to confirm that **no changes** will be made to the guidance regarding social distancing in school. Our pupils will remain in their year group bubbles and we ask that parents and visitors continue to wear a face covering whilst on the school site.

I am delighted to announce that our new website is up and running, please visit www.ormistonmeadows.co.uk to see the changes!

All clubs are due to start from week commencing 17th May. Any pupils who have been allocated a place will receive a confirmation letter with further information later this week.

We are pleased to welcome back representatives from Big Talk Education on **17th May** to deliver their 'Growing Up Safe' relationship and sex education course for **all pupils in all year groups**.

A representative from Big Talk will also host a parent workshop which will cover in greater detail what is included and the vital role Parents/Carers can play in keeping their children safe both now and as they progress into Secondary School. There will also be an opportunity to ask any questions as a small group or individually. The workshop, delivered via Zoom, will be held on Monday 17th May starting at 9.30 am.

School Times

We would like to take this opportunity to remind parents of the temporary start and end times for all year groups.

Year Group	Start Time	End Time
2, 3 and 6	8.40 am	3.00 pm
R, 1, 4 and 5	8.50 am	3.10 pm

Anyone arriving 10 minutes after their allocated start time must report to the main school office.

10 minutes late each day = over 6 days lost learning in a school year.
