ORMISTON MEADOWS ACADEMY NEWSLETTER 21ST OCTOBER 21

Message from Mrs Moore

We have had an amazing start to this academic year and it has been lovely to see all the children socialising together and enjoying being able to be with each other at lunchtime and join in our wonderful assemblies. This half term our assemblies have included an exciting visit from Peterborough United with a special guest appearance from the Team Mascot, Peter Burrows and also a 'Sharing Work' assembly which was a great hit with the children.

I have also taken great pleasure in seeing our Year 5 and 6 children showing their caring nature by helping the younger children in the dinner hall and playtime. They have taken on this role with great enthusiasm and I am very proud of the mature way they have helped children and staff this half term. A big thank you to our Super 'Bibbed' Team!

Introducing our Head/Deputy Boys and Girls

Pupils within year 6 were given the opportunity to write an election speech to become Head Boy, Head Girl, Deputy Head Boy and Deputy Head Girl. Children wrote their speeches at home and came in ready to share their ideas with the rest of the school during an assembly. Many students who went forward for the position had to overcome barriers, such as speaking in front of a large crowd, and we are so proud of them for facing these fears, being resilient and going for it! Once the speeches were completed, each class voted and the votes counted. From this the school nominated their Head Boy to be Blake and their Deputy Head Boy as Keir. Nicole received Head Girl and Aliyah became our Deputy Head Girl. They are already working hard in their new roles; leading school council meetings, greeting our prospective new parents on Open Days, sharing ideas with Mrs Moore and relaying important information across the school.

Treetops Breakfast and Afterschool Club Update

Our Treetops club is proving to be a hugely popular provision for many of our parents and we are so pleased to have many of our children attending morning and afternoon sessions with us. The children have settled back into their 'old' home with our club being run in a happy and fun environment. The children enjoy playing basketball, tennis, badminton or football outside and fun craft activities, construction, board games, cards or air hockey inside! There are also quieter activities if the children just want to relax at the end of a busy school day. Here are some photos of our creative artists, budding needle workers and construction builders!

Years 3 and 4 are looking forward to their Rock 'n' Roll Singing Day on Thursday 11th November – get your tickets from The Cresset website to see this amazing Musical Extravaganza!

Year 5 are going to the Leicester Space Centre on Wednesday 17th November, don't forget to complete your consent form and make your payment online if you haven't already done so!

All Pupils – would you like to win some art supplies and a donation to your favourite charity – then get busy making a super Christmas card – see attached leaflet for entry details by 3rd November!
