K. Moore

Mrs Kelly Moore

"You all do an amazing job and I have never seen a school encourage and know the children so well.

You are a hidden gem in Peterborough"

Year 6 Parent

Welcome to Ormiston Meadows Academy

Ormiston Meadows Academy is part of the Ormiston Academy Trust (OAT) family.

Ormiston Meadows Academy is a safe, inclusive, welcoming and nurturing school that offers a sense of belonging. We are a Good school, aiming for greatness. We pride ourselves that we know each and every child inside out. We do our best to help each child find their strengths and talents so that they will flourish and be challenged.

We work with families to ensure that all children achieve their full potential across our diverse community, having relentlessly high expectations of ourselves and others. This is reflected in our fantastic results on Parent View where 100% of parents say they would recommend our school to other parents.

We are innovative, aspirational and consistent in our holistic approach, constantly reflecting on our practice. We try to make learning creative, stimulating, inclusive and fun with lots of challenge, setting ambitious goals for the future.

We offer our children a vast range of enrichment opportunities to light the spark of their learning, giving them the skills and tools they need to take off and fly, which aligns with our motto, 'Be your Best, Expect the Best, Succeed Together!' Happy children make good learners!

Our new purpose built nursery facility, run in partnership with a local provider, offers your child an excellent start to their educational journey.

Thank you for your interest in Ormiston Meadows Academy.

“

"The learning environment is organised well. Activities link across all areas of learning enriching children's experiences and encouraging them to be curious, imaginative and independent"

Ofsted 2019

Excellence **Resilience** *Respect* SELF-WORTH

We will encourage *Excellence* and high achievement

We believe that excellence can be achieved. We recognise and appreciate excellence in everything that we do. We understand that excellence is achieved through hard work and dedication.

Excellence is not being the best but doing your best. We value the efforts of all our pupils and celebrate their successes, no matter what they may be. We provide a stimulating environment

for children which supports learning, enabling everyone to succeed.

We promote enrichment activities that enable our pupils to excel. For example, our choir is consistently successful, competing in both local and national events.

Our belief in our pupil's abilities has resulted in a sustained upward trend in achievement.

"The curriculum is well planned. It provides pupils with rich and varied experiences to help develop their knowledge across a range of subjects."

Ofsted 2019

"My son feels safe and happy at school, and these little things mean the world to me."

Student Year 6

Excellence **Resilience** *Respect* SELF-WORTH

We will encourage **Resilience** in our learners

Our aim is for your child to grow up with the idea that anything is possible. Our curriculum balances academic achievement with skills development, enabling our pupils to develop their resilience and determination to achieve their goals.

We are committed to ensuring that your child has the best possible learning environment to aim high and achieve their potential. We foster the belief that children can learn anything if they put in the hard work and practice.

"The quality of teaching has resulted in strong progress being made by pupils from their different starting points."

Ofsted 2019

"Resilience means that we never give up and try our best in everything"

Student Year 6

"Resilience is never giving up and keeping going even when it is hard"

Student Year 6

"The sport premium is used well to provide a variety of sporting activities and opportunities"

Ofsted 2019

Excellence **Resilience** *Respect* SELF-WORTH

We will encourage *Respectful* and caring citizens

At Ormiston Meadows Academy, respect is central to our core values, and a key behaviour we develop with our pupils. As children grow older, they learn that their behaviours have an effect on their own rights and those of others.

All members of the school community treat each other with respect.

We take pride in modelling manners and being courteous to each other. This is frequently commented on by visitors.

Our weekly "Celebration Assemblies" promote individual achievement, as well as developing our core value "Respect" for one another's achievements.

"The curriculum makes good provision for pupils' social, moral, cultural and spiritual development. Different roles and responsibilities promote pupils' understanding of living in a modern British community."

Ofsted 2019

“Children in the early years get off to a good start to their education. Leaders plan provision well so that children thrive in the nurturing environment”.

Ofsted 2019

Excellence Resilience Respect SELF-WORTH

We will encourage SELF-WORTH to develop confident individuals

Self-worth is crucial if we, as humans, are to achieve our potential. We acknowledge that there are times when self-belief is weakened and we strive to embed a sense of self-worth, love of self and understanding of the very important part each and everyone plays in the lives of others.

Your child will be actively encouraged to develop a positive attitude, and to make choices, knowing that they are in a safe and supportive environment.

We challenge our children to want to fulfil their potential and respond to their own next steps so that they meet their personal best.

Our high expectations for all pupils ensure they can achieve their potential and feel proud of their success.

"School leaders place a high priority on supporting pupils' social and emotional development alongside their academic achievement."

Ofsted 2019

"We love and care for ourselves and others and always work together"

Student Year 5

"Self-worth means trying my very best in all of my work and earning points for my House"
