# Tips for Parents

Use your new insight wisely and prompt conversations with your child at different times, such as when travelling, over dinner or at quiet times together. It's natural for children to want to unwind and play after school.

Show the MarvellousMe app to your child. It will help them to reflect on their learning and feel proud of the teacher's positive comments.

Hi5 the teacher every time they send you an update so they know you are engaged.

Share your app with family and friends by giving them the same join code that you used, or inviting them in 'Settings'. They will then be able to enjoy the instant updates as well.
