

Reading & Writing

Our focus text is: Pugs of the Frozen North. We will create two extended pieces of writing. The first, a non-chronological report on the Titanic. The second, a newspaper report about saving Atlantic walrus in the Arctic.

Mathematics

We will be learning about:

- Adding and Subtracting four-digit numbers involving exchanges.
- Estimating Calculations.
- Checking Calculations using inverse operations.

Art, Design & Technology

- Art - We will continue drawing our picture books that we will share with EYFS.
- D&T - We will create a product involving an electrical circuit.
- ICT - We will learn about how to stay safe online.

P.E

P.E. will continue to be on Tuesdays and Wednesdays.

- Tuesday - Gymnastics (Indoors)
- Wednesday - Hockey (Outdoors)

YR 4 AUTUMN TERM 2

Geography

We will be carrying out a fieldwork study based on geographical features in our local area. We will learn compass directions, map reading skills and identify how the landscape has changed over the last century.

Ancient History

We are continuing to learn about the Ancient Maya Civilisation. This half term we will focus on:

- Were the Maya's a civilised society?
- What caused the decline of the Mayas?
- What were the Maya's greatest achievements?

Social Studies

We we will learning about:

- PSHE - Friendships.
- RE - Treating Others Kindly.
- Votes for Schools - Weekly News Topics.

Science

We are continuing to learn about electricity and electrical circuits. We will focus on:

- Renewable Energy Sources.
- The National Grid.
