

Reading & Writing

Our focus text is: Poems Aloud. We will learn to perform a variety of poems - and write our own using different formats. The final text, Varmint - will allow us to explore narrative writing in greater detail.

Art, Design & Technology

- Art - We will explore drawing and sculpture skills like line, mark making, shape, form, balance and structure
- D&T - We are learning about shell structures, and designing and making our own treasure boxes.
- ICT - We will produce a stop-motion animation. Then, we will find out how computers work!

Geography

We will be learning about the human and physical features of the UK and New Delhi. In the final term, we will learn about the water cycle - and discover how different rivers are formed.

Mathematics

We will be learning about:

- Fractions and Decimals
- Statistics
- Measurement
- Time
- Problem Solving Skills

YR 4 SUMMER TERM

P.E

P.E. will be on Wednesdays and Fridays.

- Wednesday - Athletics (Outdoors)
- Friday- Cricket (Outdoors)

Ancient History

In History we will discover the secrets to a successful battle. We will learn how weaponry has changed, hear historical battles, including those told within myths (The Legend of Troy). We will also discover the reasons behind countries invading each other, particularly focusing on the Romans and Greeks.

Social Studies

We we will learning about:

- PSHE - Emergencies & Managing Money.
- RE - Buddhism & Islam
- Votes for Schools - Weekly News Topics.

Science

This term we will begin by learning about the three states of matter; solid, liquid and gas. In our final topic we will investigate how our ears hear and process sounds.
