2. Identifying needs.

We do this by:

- Listening to parental concerns
- Listening to the child
- Identification by teacher and inclusion team – for example through assessments, observations, discussions
- Liaison with other educational professionals
- Liaison with external agencies
- School transfer information and transition meetings
- Monitoring and assessment information

We follow a process to identify and address need called the Graduated Approach (you may also hear it referred to as Assess, Plan, Do, Review or APDR).

3. If you have a concern...

Firstly, raise any concerns with your child's class teacher who can pass it on to the SENDCo.

The class teacher and SENDCo will work together to address these concerns.

The SENDCo and wider Inclusion Team are always happy to talk via phone, email or face-to-face.

SENDCo – Mrs Lizzie Oates

Tel 01733 231008

Autism Outreach – school can request support for a child diagnosed with Autism

Child and Mental Health Service (CAMHS) – support can be provided by a paediatrician

Pupil Referral Service – school can request support if a child is on the brink of exclusion

5. Reviewing progress

6. Evaluating Provision

7. Role of Governors

Roles and responsibilities of governors are:

- Understanding how the school identifies children with SEND and what happens next
- Understanding how the school allocates and spends SEND funding and who is responsible for this
- Support the review process of the school's SEND policy and ensure that the SEND provision reflects the changing needs of the school, its circumstances and the law
- We have a governor with responsibility for SEND who visits the school regularly throughout the year

<https://ormistonmeadows.co.uk/our-academy/governance>

8. Accessing the Curriculum

We will provide the following to support children in their learning:

Pre-teaching

Small group interventions

Multi sensory resources

Adult support

Classroom strategies such as movement breaks, extra time, seating arrangements

Access to digital devices such as laptops and learning support software

Specialist equipment such as writing slopes, pencil grips, coloured overlays

Programmes set by external specialists for children with specific additional needs

Accessing Enrichment Opportunities.

We will provide skilled additional adults to support children, where appropriate.

We will have flexible arrangements to meet the individual needs of children who attend enrichment opportunities.

Accessing enrichment opportunities will be discussed with parents/ carers and any other external agencies so that accessibility needs are met.

We will carry out additional risk assessments and training all adults working with children who have specific needs.

We will look at adult to child ratios and additional resources that may be needed to support individual children when out of school for an educational or residential visit.

9. Supporting Health and Wellbeing

A whole school ethos that understands and supports children's individual pastoral, social and medical needs.

Polar Bear Club: lunchtime provision for those children needing small group, supported playtime.

An Inclusion Team covering special needs, behaviour, wellbeing and mental health.

Care plans for children requiring medication, medical support or intimate care.

Support during transition between year groups and the move to secondary school.

10. Transition

Reception: children visit the school several times before starting, with and without their parents.

In year: staff liaise with the previous school to share information and attend transfer meetings where necessary

Secondary: children have several opportunities to visit their new school and meet members of staff

Reception: staff visit pre-schools and conduct home visits, in addition to multi-agency transition meetings for those with high needs

In year: there are opportunities for parents and children to meet with members of the Inclusion Team and/or class teacher before starting

Secondary: transition meetings are held between staff from both schools and relevant information is shared

11. Involving parents and children

- We will ensure that we discuss any additional needs your child may have with all the right people. This will include you, as the parents, and the children themselves.*

Parents' evenings

Informal meetings

Written reports

Open door policy

Open door policy

Complaints Procedure

If you have concerns about the school's SEND provision, please follow the complaints procedure as outlined in the complaints policy: [Complaints.pdf \(ormistonmeadows.co.uk\)](https://ormistonmeadows.co.uk/Complaints.pdf)

This is a three-part process:

1. Informal

- In the first instance, raise your concerns with your child's teacher. If they cannot resolve the issue by themselves, they will pass it on to the appropriate member of staff such as the SENDCO or Principal. It may be necessary to fill in a complaint form to aid in our understanding of your concerns.

2. Formal

- At this stage, complaints must be made in writing and this can be done by either filling in a complaint form or using the 'Contact Us' function on the school's website. The complaint will be investigated by the Principal, or where the complaint concerns the Principal it will be investigated by a Regional Director for the trust.

3. Complaints panel

- At this stage, the complainant can request a complaint panel hearing. They should contact OAT's Complaints Co-ordinator within three academy weeks of the date of the stage two complaint outcome letter if they want a complaint panel to be convened. This will be face to face unless reasonable adjustments are required.

Parental Comments

Parents of children with SEND have made the following comments about strengths of our current provision:

- "Having sensory circuits in the morning"
- "Sensory management"
- "I love how the children are welcomed and made part of the class as a family"
- "He loves his teacher and she is so understanding of his needs"

What future provision parents would like to see at Ormiston Meadows Academy:

- "I would like to understand more about her level of learning so we could support more at home"
- "More communication always welcome"
- "Knowing more about strategies that work at school so we can use them at home too"

Children's Comments

Children with SEND have made the following comments about our provision:

- "I love the Acorn Room"
- "My teacher helps me learn"
- "I have my own timetable so I know what to do"
- "If I do my learning, I get my reward time"
- "Sometimes the teacher will write on a whiteboard and then I can copy it right"
