

## **Careers Day 2025 21<sup>st</sup> May 2025**

We will be celebrating our aspirations this year on Careers Day. This means that your child can dress up as anything they aspire to be or bring in an object that represents a job they would like to do in the future.

Children will be taking part in fun activities throughout the day but to make our day even more exciting we need your help!

Do you or someone you know have an **interesting** job that you/they would be happy to come in to school and **talk** about?

For **National Careers Day**, we are looking to inspire our children with 'real life' people talking about their jobs!

We would be asking for you to spare an hour of your time on 21<sup>st</sup> of May between 10am – 11am or/ and between 1-2pm to visit a few classrooms and answer a few questions.

If you are able to help make our day a success please fill in the link below and I will get back to you shortly.
