

Welcome to Reception at Ormiston Meadows Academy. Over the coming weeks, we'll be focusing on helping everyone settle in, become familiar with our daily routines, and begin building those all-important early friendships. This is such a special time, and we're here to support every child as they grow in confidence and start their learning journey with us.

We're looking forward to a happy and successful term together! Be Your Best, Expect The Best, Succeed Together!
